## Financial Aid

If you are interested in a **FAYETTE INSTITUTE OF TECHNOLOGY** program, you may also be interested in financial aid.

Financial aid sources are available to defray the costs of tuition, textbooks, and supplies. Since each of these awards is in the form of a grant, you will not have to repay any of the money upon graduation.

The Pell Grant is the most widely used source of financial aid. In addition to the Pell Grant, you may be eligible for assistance through the Workforce Investment Act.

There are also a number of other agencies or sources that provide tuition assistance and/or other types of support while you are enrolled in school at **FAYETTE INSTITUTE OF TECHNOLOGY**. Some of those agencies are:

- Department of Human Services
- Department of Vocational Rehabilitation
- Veterans Administration
- The Council of Three Rivers  
American Indian Center
- HEAPS (Higher Education Adult Part-time Student)
- Alternative Loan at [www.wellsfargo.com](http://www.wellsfargo.com) or [simpletuition.com](http://simpletuition.com).
